

Links Page for Real World Cycles shown In chapter 6 of Steve Nurse's book "The Cycling Zoo"

Book Reference	Hyperlink to comparable real Cycle : while I've made every effort to match the sketch configuration with a bike shown on the web, sometimes the match is not exact. The real examples are as close as I can get and usually show a key feature of the drawing.	Feature of Photo / Web Link
7.1	<a href="http://www.pbase.com/canyonlands/fullyloaded">http://www.pbase.com/canyonlands/fullyloaded</a>	Laden Cycle
